NIJSSA Swimming Carnival Report 2017

The St. Anthony's Swim team put in a great effort to finish fifth at the recent NIJSSA Swimming Carnival. All swimmers competed with great spirit and commitment to achieve a wonderful result for such a small school.

Many thanks to all those who helped with the effort including Ms Belinda Mason, for assisting with the school training sessions, all parents who helped by officiating at the carnival and a big thanks to all swimmers, including reserves, who were fully committed to helping the school perform to its best.

A special mention to all those swimmers who either won or placed in their events, especially Sophie Hinds, Zinny Farmer & the Gr 3 Boys relay team who all triumphed in Division 1 races.

West Tamar Council

West Tamar Council is excited to commence the community engagement phase for the new Community Plan, with the theme: "Unearthing Potential"

The current plan expires at the end of 2017 so this year the Community Services Department is undertaking the review of the Plan which **will shape the way that Council delivers, supports, facilitates and upgrades community related services, events, activities and infrastructure.**

This is your chance to get involved and help us shape the way we serve our community.

Below is a copy of the Community Pop-Up Session schedule.

Free community BBQs will be held in both Beaconsfield and Riverside, with afternoon tea at the Exeter session.

We hope to see you at one of our events. Thanks for your help in shaping Community Services at West Tamar!
